This is an application to request an exemption from swimming pool barrier requirements of the Swimming Pools Act 1992 that are impracticable or unreasonable or alternative provision, no less effective than the requirements of the Act, exists for restricting access to the swimming pool.

Council may exempt the swimming pool from all or any of the requirements of Part 2 of the Swimming Pools Act 1992 if Council is satisfied, in the particular circumstances of the case that:

- a) it is impracticable or unreasonable (because of the physical nature of the premises, because of the design or construction of the swimming pool or because of special circumstances of a kind recognised by the regulations as justifying the granting of an exemption) for the swimming pool to comply with those requirements, or
- b) alternative provision, no less effective than those requirements, exists for restricting access to the swimming pool.

Council may grant an exemption unconditionally or subject to conditions as considered appropriate to ensure that effective provision is made for restricting access to the swimming pool concerned or the water contained in it.

For the purposes only of any appeal proceedings arising in connection with an application under Section 22 of the Swimming Pools Act 1992, Council is taken to have refused the application if it has not finally determined the application within 6 weeks after the application was made.

If Council refuses the application for an exemption, or is taken to have refused the application, or imposes a condition on an exemption, the owner of the premises on which the relevant swimming pool is situated is entitled to appeal to the Land and Environment Court against Council's decision.

Section 22 of the Swimming Pools Act 1992 and Part 4 of the Swimming Pools Regulation 2018 provides further information if required.

Council impose a **fee of \$250** for an application for an exemption under section 22 of the Swimming Pools Act 1992. Applications provided without payment of the fee will not be considered.
