## About this guide

Manly is a popular destination, with beautiful beaches and an impressive collection of world-class restaurants, bars and shops.

The best way to visit Manly is by public transport. It's not only a cheaper alternative to driving but also reduces traffic and pollution. You don't need to worry about finding a parking space and can take your time to enjoy a swim, coffee or long lunch in one of the local restaurants.

Manly is serviced by a number of buses which travel from Palm Beach, Sydney City, North Sydney and St Leonards, to name a few. Ferries run to Circular Quay and Barangaroo. Visit [transportnsw.info](http://transportnsw.info) for information on bus and ferry timetables.

## Cycling

There is secure bicycle parking in Whistler Street carpark, Manly. The cost is \$71 per year. This includes access to a bicycle repair kit inside.

There are also bicycle racks in front of Manly Wharf, Manly beachfront, Market Lane and other locations throughout Manly.

Would you like to see more bicycle parking in Manly?

Email us and we'll look into it for you.

## Parking stations
