Welcome to Manly Meals on Wheels

Manly Meals on Wheels supports an independent and social lifestyle providing nutritionally balanced meals to aged people, people with disability and their carers.

Fresh and/or frozen meals are delivered by a team of friendly and caring volunteers and a pickup service is also available for people to purchase meals on a regular or irregular basis.

Meals on Wheels supports people to be independent in their own homes for longer. Most people prefer to live at home, but in many cases, they need support to do this. Without community services such as Meals on Wheels clients are at risk of premature admission to aged care.

Manly Meals on Wheels supports:

- The right of people to make nutritional choices
- The right of people to be valued as individuals
- The right of the community to accountable and responsive services
- The right of people to be treated with dignity, respect, privacy and confidentiality
- The right to access the service without prejudice of gender, marital status, religion, cultural beliefs, political affiliation, disability, ethnic background, age or sexual preference.

The service is operated by Northern Beaches Council and funded by the Commonwealth Department of Health in accordance with the Commonwealth Home Support Program (CHSP).

The service delivers from Manly and Clontarf to as far north as Freshwater and Curl Curl. We are looking to extend the service, so get in touch if you live outside the delivery area.

Community lunches

Everyone is welcome at our community lunches, so come along and enjoy a nutritious three-course meal, meet other people and connect with a supportive network.

- Every Friday at Manly Seniors Centre, 275 Pittwater Road, Manly
- The first Wednesday of each month at Seaforth Oval Pavilion, Seaforth

All community lunches are held from 11.30am - 1.30pm and cost \$13 per person.

Approximately 25 - 30 people visit us to have lunch, enjoy a chat and good company and some of the lunches are also accompanied by entertainment.

Limited bus transport is available to Seaforth and Manly Seniors Centre.

Social outings

There are two social outings per month which include a drive to a 'mystery' destination and lunch at a local club. This is a nice way to get out of the house and socialise.

Cost is \$13 per person for transport and does not include the cost of the lunch.

Who can use Meals on Wheels?

Anyone can contact our service and you don't need to be referred. You might need us when:

- You or someone you care for has left hospital or doesn't feel well
- You can't get to the shops
- You are a carer or relative who needs a rest and you want to make sure the person you look after is eating healthy meals.

Any other time you feel you can't cook a meal for yourself, your partner or someone you care for.

How can Meals on Wheels be arranged?

All you need to do is call Meals on Wheels or be referred to the service by your doctor, a friend or the My Aged Care service. You can contact My Aged Care on freecall 1800 200 422.

Your referral will be assessed by a Meals on Wheels staff member and meals will commence as soon as possible.

Culturally and Linguistically Diverse Community Members - Interpreter services

Meals on Wheels will arrange for an interpreter and a staff member from the service to come and see you to explain the service, the Service User Handbook and the menus so you feel comfortable.

Delivery times

The majority of our meals are delivered chilled for eating later in the day. Hot meals are delivered at lunchtime and frozen meals are also available for bulk delivery or to use on weekends or public holidays.

This can vary depending on the number of meals to be delivered.

The volunteers leave Meals on Wheels between 9am and 9.30am each morning and deliveries are completed by 11am. Hot meals are delivered between midday and 1.30pm.

For food safety reasons, you must be home to receive your meal or let us know in advance if you have arranged for someone else, perhaps a neighbour, to accept the meal for you and refrigerate it until your return. If a volunteer calls to deliver a meal and you are not at home as expected, we will call you on your mobile phone or call the emergency contact you have provided to confirm your safety/wellbeing. If necessary, the emergency authorities will be contacted.

On some occasions, it may not be possible to deliver your meal, for example during a severe storm or flood. In such cases, you will be contacted that morning by Meals on Wheels staff to let you know service delivery has been suspended and will recommence as soon as possible. We recommend that clients always keep some non-perishable food at home for emergencies.

Meals on Wheels is a 'person to person' delivery service. Our volunteers cannot leave your meal unless you are at home to receive it because it would not be safe to do so. There is a risk the meal could be left for a number of hours at the wrong temperature, or tampered with.

Please help us by letting us know in advance when you may not be at home so we can make other arrangements for you.

For example, we could:

- Leave the meal with a neighbour
- Arrange to send you an extra meal on another day
- Arrange for delivery later on in the day
- Cancel the meal.

Please phone Meals on Wheels on 8495 5010 if you need to make alternative arrangements for the delivery of meals.

If you have not advised us that you will not be at home to receive your ordered meal, it may be charged to your monthly account

Eating and heating recommendations

Hot meals

Hot meals must be eaten when they are received at lunchtime and should not be kept and reheated later in the day or put in the freezer for another day. If you do not want to eat your meal as soon as you receive it, then we suggest you receive a “chilled” meal delivered in the morning so that you can heat it later in the day at your convenience. You can talk to the staff at any time about changing your order.

Chilled meals

A chilled meal needs to be kept cold until heated for consumption. Place it in your refrigerator as soon as it is received. The meal needs to be eaten before the expiry date, which is displayed on the packaging.

Heating chilled meals

Oven: Preheat oven to 180C, leave lid on and heat meal for 20 - 25 minutes.

Microwave: Pierce the plastic with a knife to make a hole in the plastic top, place in microwave and heat on high for four minutes.

OR

Remove lid, take meal out of container. Place meal on a plate and cover. Leave a gap for steam to escape. Heat the meal on high for four minutes.

Frozen meals

Frozen meals need to be placed in your freezer immediately upon delivery. They should be consumed before the expiry date as displayed on the label – which is often 12 months in the future.

Heating frozen meals

1. Thaw frozen meals in the refrigerator for 12 - 24 hours before heating meals or defrost in the microwave.
2. Follow instructions for 'Heating Chilled Meals' (above).

We want your food to look good, taste good and be safe to eat. This means that food must be kept at the correct temperature to stop bacteria from growing.

Temporarily suspending the service

If you go on holiday, respite or would like to stop receiving the service temporarily for any other reason, you may do so by notifying us in writing or over the phone.

How to pay for your meals

Accounts are sent out at the end of each month, which must be paid within 30 days.

Payment can be made by cash, cheque and made out to Manly Meals on Wheels. This can be handed to the volunteers - who will issue a receipt or can be mailed to:

Meals on Wheels
PO Box 82
Manly NSW 1655

Payment can also be made by EFT or by credit card or over the telephone. There is a credit card fee of 0.5% on all credit card transactions.

If you have any concerns when a person claiming to be from Meals on Wheels comes to your door or contacts you - please ring our office immediately on 8495 5010.

Financial hardships

If you are experiencing financial hardship, you may be eligible for a reduction in meal costs. Hardship will be determined based on proof of hardship.

Your care plan

A Meals on Wheels staff member will work with you to develop a care plan. This plan sets out the home support services you have chosen to receive and the way in which it will be provided to you.

From time to time there might be additional support you would like to receive, which is not listed in your plan. In this case, please let us know and we can discuss how we can support you. We will provide you with an updated copy of your plan any time it is varied.

Volunteers

Volunteers are crucial to the operation of Manly Meals on Wheels. Our friendly and caring volunteers deliver the meals to clients and do a 'safe and well check'. Volunteers also assist with the community lunches, social outings and general administration.

All Meals on Wheels volunteers carry identification and have passed a National Police Check.

The volunteers are unable to do errands or administer medication for you. If you need any assistance or any other support please contact Meals on Wheels on 8495 5010 who will direct you to the appropriate service.

If you are unhappy with the meals or the service

Meals on Wheels aims to provide a high-quality service and we would like to know if you have any concerns about the meals or the service delivery.

You may telephone the Meals on Wheels Coordinator on 8495 6606 or you may prefer to have a family member or advocate phone on your behalf to express your concerns. The Coordinator will follow up any problems you may have with the meal, its delivery or the service in general.

If you are not satisfied with the response from the Coordinator, you may write to the Manager, Direct Services, Northern Beaches Council at PO Box 82, Manly NSW 1655 or contact by phone on 1300 434 434.
