www.profsimonlewis.com

When: Thu 22nd Aug 2024

Time: 10 for 10:30am - 1pm

Where: Dee Why RSL L3 Oaks Room

Who should attend:

- People living with Parkinson's (PLWP), their family and carers
- allied health professionals supporting PLWP
- hospital and nursing home staff
- GPs and Neurologists
- council, government and community members interested in supporting PLWP.

Seminar program

Session 1: Local Research

Simon will describe the work that his team are doing at Macquarie University, which not only includes clinical trials to slow disease progression but is also looking to treat common symptoms like Freezing of Gait and Hallucinations.

Session 2: Question & Answer

Simon will open the floor so that you can put your questions to the expert.

To book

Tickets are limited (80).
