

The Resilience Circle

An innovative and sustainable retail charity outlet offering homewares, gifts and a splash of fashion.

Recycle and Renew to help
Reset and Rebuild lives.

All proceeds go to the Women's Resilience Centre

The Resilience Circle

The Resilience Circle is a welcoming place and a retail opportunity shop. A place offering support for all people to "speak easy", feel, welcome and learn about community recovery services, mentoring, and relevant author talks.

All staff are trained to be trauma-informed and supportive. New educational services & community recovery programs available. A place to feel welcome and supported.

Donate and gift your special homewares and dignified clothing to not only help another life but help the environment too. Give a gift that just keeps giving. Drop in and buy a gift that gifts another or donate treasures that can help another.
